

# Joint Meeting Announcement

## Students and Professionals Welcome!

Join us for the AIPG and MAEP annual joint meeting on October 14, 2020. We are holding the meeting Covid-style as a free virtual event. We are featuring Eastern Michigan University showcasing a virtual tour of their newly renovated geology and environmental sciences building and the latest on their programs, research efforts, and student activities. This event is designed to not only be informational, but also to promote networking amongst professionals and students.

**Virtual Happy Hour**

**EMU Tour & Presentation**

**Breakout Rooms: Career Mentoring - Trivia - Networking & MORE!**
